Our Vision

To improve people's lives in and around Bodmin

We are working towards resilient, thriving, connected communities in and around Bodmin. Where our rich heritage and faith traditions are celebrated and every person is enabled to flourish, throughout every stage of their life; through shared experiences, resources for wellness, and community support.

Our Mission

To support and enhance the work of the church in Bodmin and beyond by:

- developing opportunities to grow resilient, thriving, connected communities, including in partnership with other organisations.
- delivering support for improved community health and wellbeing including initiatives to reduce food poverty, fuel poverty and financial hardship
- providing opportunities for connection, human and spiritual flourishing at every stage of life from childhood to old age
- enabling more to access the rich heritage of our churches and communities.
